Letter from C.G.Herbert Esq., I.C.S., Collector of South Kanara, Ref. B.3-1343-28 dated 26th March 1928.

Courts- Village panchayat- South Kanara- Mangalore taluk- Casba Bazaar- Assistant karnam- Temporary- Retention- Orders requested.

G.O. No.984 Mis. dated 26th May 1927 communicated with B.P. NoMis. 1451 L.R.& S., dated 31st May 1927.

The sanction accorded in the Government Order quoted above for the retention of the assistant karnam employed in the village panchayat court at Mangalore Casba bazaar expires on 31st March 1928. The Revenue Divisional Officer, Mangalore, reports after an inspection of the court that the clerical work continues to be heavy. The court exercises jurisdiction over nine villages, seven of which cover the entire municipal limits of Mangalore. On an average 3,000 suits are disposed of in a year in addition to about a thousand execution petitions. The maintenance of the prescribed registers, the accounting of process fees, the indexing of the records and the preparation of free copies of decrees entail considerable work and the regular staff are unable to dispose of it. I consider that the work of the court necessitates the employment of the temporary assistant karnam for some time longer and I therefore request that Government may be moved to sanction his retention for one year from 1st April 1928.

2. I am not submitting the comparative statement prescribed in G.O. No.758 His. Revenue dated 22nd April 1927 communicated with B.P.1163 His.dated 30th April 1927. There is no village in the district the karnam's work in which could usefully be compared with that of the karnams of the villages included within the municipality of Mangalore. There is, therefore, not the necessary material from which to prepare a comparative statement. Although the Mangalore town karnams are relieved of certain branches of work- notably azmoish- which fall to the lot of karnams

of cultivated villages, this immunity is more than counterbalanced by the large number of miscellaneous papers with which they have to deal. They have certainly each as much, or more, work to do than the karnam of a heavy cultivated village.
